FOREWORD

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1953 Elbala Staff that, as you glance through this book in the years to come, you will recapture those moments--and the echoes will begin again.

DEDICATION

To:

Mrs. Ola B. Kendrick, our beloved English teacher, who through the years has rendered invaluable service to our school, and to Mrs. Carolyn Brunson who during her two years with us has won a warm place in the hearts of all her students.

We trust that this volume will be a reminder of our love for them.

ELBALA STAFF

We are honored to try to bind together dear memories for you and give them to you with our best wishes in this "Elbala." We are striving to capture in these pages the smiles and the tears, the hard work and the rewards, symbols that will now, and in years to come, call to memory all the events of this year.

TIGER TIMES STAFF

If the subscribers to the Tiger Times have enjoyed reading the paper as much as the Staff members have enjoyed publishing it, we think we may be certain that it has been a success.

The paper does much more than furnish the reader with school news. It gives the students working on the paper a sense of responsibility and develops their writing ability. Working on the Tiger Times impresses upon our minds the need for co-operation and gives us some idea as to what is required of a newspaper staff.

And now we would like to take this opportunity to thank our Sponsor-Mrs. Carolyn Brunson, without whose help the Tiger Times just wouldn't be, and for her helpful suggestions.
